

SeeWoo's Chinese and Vietnamese Hampers

SeeWoo, the largest Oriental food supplier and importer in Europe, has launched two specialist food hampers.

Adventurous foodies will be able to order their Vietnamese or Chinese food hampers complete with wok, chopsticks, specially sourced ingredients and recipe book from <http://www.seewoo.com/items/37>. Each hamper will include a selection of sauces, dips and oriental store cupboard staples as well as six inventive recipes to experiment with. For just £49.95, take friends and family on a gastronomic journey tour of the Far East this festive season.

The Vietnamese hamper contains ingredients such as *Hong Brand rice paper*, *Yellow Rock Sugar* and *Minh Ha Shrimp paste*. If Chinese food takes your fancy, the hamper includes *Dark Mushroom Soy Sauce*, *Crushed Yellow Bean*, *Sau Tao Noodles* and *Way On Chilli Oil with Shimp*, amongst other more recognisable staples.

Recipes have been created by Uyen LeLuu, Vietnamese supper club host, and will include dishes packed full of Far East flavour such as *Seared tuna steak with dark soy sauce, ginger and shallots* or *Pak Choi and chilli oil* and *Prawn salad with carrot, mango and hot mint*. And when the ingredients run out in the hamper, you can always go down to the SeeWoo store to stock up again!

These hampers are the only true one stop shop for creating fabulous Oriental meals, whether you're a novice or experienced cook. To purchase a hamper, visit <http://www.seewoo.com/items/37>.
